

# **SAMCA ANTHEM**

**Music & Lyrics:** Mrs Jenny Evershed  
**Notation Assistant:** Mrs Denise Abrahams

By the strengths of one another,  
we are bonded as a team,  
as we march ever onwards in our role.  
For perfection we are striving,  
every day we are arriving  
one step closer to our goal

## **CHORUS:**

**So we raise the standard -  
Raise the standard.  
Raise high the standard with pride!  
As Champions we are branded -  
we will do what is demanded,  
our passion can never be denied**

As a squad we are balanced;  
and we'll meet every challenge.  
In timing and formation we're on par.  
We will cause a good vibration -  
in perfection, a sensation  
dedication will take us far.

## **CHORUS:**

**So we raise the standard -  
Raise the Standard.  
Raise high the standard with pride!  
As Champions we are branded -  
we will do what is demanded,  
our passion can never be denied**
